

SQ6 Square Grille Kit

Our SQ6 Square Trim-less Design Grille Kit is a great way to enhance room aesthetics by giving OSD Audio or OSD Black round speakers the appearance of being a square speaker. Many interior designers prefer square speakers because they are a better match with ceiling elements such as vents and square ceiling tiles. Made of rust-proof, paintable epoxy-coated steel, this clever, quick-change grille fits many OSD Audio and OSD Black ceiling speakers (models listed below) and includes a thin bezel design and attaches easily with powerful Neodymium magnets.

FEATURES

- For OSD ceiling speakers featuring trim-less design
- Gives a square appearance to a round in-ceiling speaker
- Thin bezel design blends easily and enhances aesthetics
- Larger 8.3" cutout works with OSD angled LCR speakers
- Can be mounted independently for universal applications
- Fits undersized 6.5" and smaller 5.25" speakers
- Made of paintable epoxy-coated steel
